APPROACH

From the parking lot of the Bad Kissinger Hut in the direction of Aggenstein and after about 30 minutes turn right in the direction of Sebenalm. Before crossing the Sebenbach, turn right at the brook and walk uphill for about 500m until you reach another little brook. Now turn right along forest ridges and straight up to the foothills of the north pillar.

DESCENT

1. climb to the main summit and descend via the normal route (1, about 1.5 hours).
2. ascend from the top of the storage wall about 50m over the ridge in southern direction, then descend on the west side over the gorge or flank for about 80m. Finally steep (20m, difficulty level 2, possibility to abseil on mountain pines) down to the normal path. Via Gemssteig horizontally in northern direction to the Westgratscharte.
3. abseil over the west ridge (1x40m, 1x50m). Hook 3m south of the cross.
