

OLYMPIAREGION SEEFELD - MAUERBOGEN / LEUTASCH SEKTOR MAUERBOGEN

APPROACH

The access leads over a quite newly laid out path, which is very well signposted (orange sign "Kettergarten Mauerbogen"). In 15 to 20 minutes, steep but easy to get to the boulder. The area is suitable for children, but due to the climbing character (very closed rock) may not be the best choice for the small ones.
